## **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Larry Kyle on 3/1.

The application has been amended as follows: In claim 1 on line 11 after "therein" insert -- and wherein said motor housing is mounted within said range hood--.

## Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record, neither singly nor in combination, disclose a range hood possessing a motor with a housing having an edge of one of said first or second side perimeter surfaces having cooperating projections with a gap therebetween; and, the edge of the other of said first or second side perimeter surfaces being adapted to be inserted in said gap between said cooperating projections to be frictionally retained therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

## Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The provided references are representative of the state of the art that is applicable to
